

Vetting Report

For

Token Name
Meta Stake Piltos- BSC

Date of Report
17 October, 2022

Decision
Officially Vetted

Disclaimer

This report is not intended to be investment advice. It is intended to provide you an abundance of information so you can make your own informed decision. Expelee sourced this information from what was publicly available and what was provided by the projects core team members. After sourcing this information, we verified its accuracy by “fact checking” it to the best of our ability. We make no guarantee that any information in this report is 100% accurate nor do we make any guarantee regarding the future of the project.

The status of “Approved” indicates that the project met the criteria established by Expelee to be officially vetted and listed within the Expelee database and should not be considered an endorsement of any kind.

Summary of Interview

The Meta Stake vetting interview was conducted on October 17, 2022. 3 out of 5 team members attended the live video session. The Meta Stake team answered all questions and supplied additional information as requested to complete the vetting process. The Meta Stake team was responsive to requests to verify certain details after the interview. Meta Stake met or exceeded the standards set by Expelee that qualify Meta Stake for listing on Expelee.

We measure 30 items across 7 categories within a project. Note, this assessment is the level of risk to the project and not to the potential investor. The report is a purely subjective view from the Expelee team. This information is not to be used as financial advice. Please see the full disclaimer at the end of this document.
